Residence Manager

Welcome to my Studea Grande Arche residence, a place where the living is easy, located in a quiet area, next to La Défense, with its large Les 4 Temps shopping centre, public transport that will take you to Paris in 10 minutes, as well as the Leonardo da Vinci university campus nearby. Is your time precious? Our proximity is a major advantage, as you won't need to take public transport to get there, it's just a five-minute walk away. What's more, for fans of concert and/or sporting events, the U Arena has just opened in Nanterre and can be reached in a few minutes on foot from the residence. Push open the doors of my residence, you will immediately be immersed in a warm, friendly atmosphere, where students of all ages and all origins (French from the Île-de-France, French from the outlying provinces and foreigners from all over the world) live together in harmony, accessing various and varied training (commerce, engineering, etc.). The residence offers very interesting rooms and services, such as the cafeteria, which not only allows you to have breakfast, but also to meet up to chat, revise, and help one

another over tea or coffee, a laundry equipped with brand new washing machines and dryers, and secure underground parking and accessible directly via the lift. Finally, internet is offered at no cost and hot water is included in the rates, which allows you good savings. Backed by long-standing experience working in residences, I am always attentive to residents, and I like doing my utmost to support, guide and help them while ensuring a friendly, safe environment in the building.
